

“The demand for education in quantitative finance  
has never been greater.....”

A handwritten signature in black ink, which appears to read 'Paul Winton', is centered below the quote.

## Your CQF Program

All your CQF material is available on the CQF Portal. To access this, please go to [www.cqf.com](http://www.cqf.com) and log on using your username and password

### Course Materials

24 hours prior to each lecture, all associated lecture material (lecture notes, exercises) will be uploaded to the learning portal for you to access.

The exercises are for you to complete in your own time and do not need to be submitted for marking. Solutions will be available on your portal.

### Reading Materials

If you have not received your textbooks – please email [CQFProgram@fitchlearning.com](mailto:CQFProgram@fitchlearning.com)

### Recordings

All CQF Lectures are recorded and posted to the learning Portal within 24 hours (1 working day) of the lecture taking place.

To access recordings go to [www.cqf.com](http://www.cqf.com) using the *login* button

- Study
- Module Resources
- Then choose the Module and lecture you wish to view

### APP

Accessible online & offline

If you have not received information on how to download the App– please contact [CQFProgram@fitchlearning.com](mailto:CQFProgram@fitchlearning.com)

GLOBAL STANDARD IN FINANCIAL ENGINEERING

## CQF June 2021 – Welcome Session

CQF is hosting a welcome session for all new delegates of the CQF. This session will begin with a welcome introduction from Dr. Randeep Gug, following that you will have the opportunity to network with your fellow CQF delegates on one-to-one basis. In this session you will also have the chance to speak to the CQF team to answer any questions you may have.

**Date:** Friday 28 January 2022

**Time:** 12:00 PM BST / 07:00 EDT / 20:00 CST

**Virtual Doors Open:** 11:50 BST / 06:50 EDT / 19:50 CST

**Duration:** 2 hours

Please follow the link to register for the event:

<https://hopin.com/events/cqf-january-2022-welcome-session>

GLOBAL STANDARD IN FINANCIAL ENGINEERING

## About the CQF Institute - Key Facts

- Since 2003, the CQF community has become the fastest-growing global network of quant professionals
- In 2014, the Institute was established to build on the success of the CQF, and is now the awarding body for the Program
- It provides a platform for educating and building the quant finance community with Dr. Paul Wilmott, founder of the CQF Program, as its President
- The Institute offers basic and premium membership to a global community of finance professionals, with local societies in cities across the world.
- Launched in 2016, our premium membership now offers the opportunity to enjoy exclusive benefits:

**Wilmott Magazine Online** – Access to the latest six issues online

**Wiley E-Book** – Dr Paul Wilmott & David Orrell's, *The Money Formula*

**Premium Videos & Articles** – Exclusive articles and talks from industry experts

**Discounts** – Heavily discounted prices on Institute events and e-books
